Auction!

The Lady Icers held an auction during the Fall 2005 semester. Various auction items were displayed at games during the semester. The amount of money raised from the 2005-2006 auction was \$1390.00. Thank you to all the patrons who made the auction successful.

Plans are already underway for the 2006-2007 Lady Icer auction. RoxAnne Voelker, parent of Dana Voelker #5, Class of 2007, has been actively involved in the auction for the Penn State Lady Icers this year and last year. She needs some help from another parent(s) with the planning and setting up of the auction next year. For the auction to be successful year after year, it is important that other parent(s) become involved. Any interested parties may contact RoxAnne @ 412-977-6417.

The Lady Icers Booster Club would also like to thank the Voelkers for all the work they have done on these auctions.

Candy Bar Fundraiser

Currently, the Lady Icers are involved in the selling of Anderson's candy bars as another way of raising funds. These candy bars are very good chocolate. If you would like to help out with the team's expenses, ask your favorite Lady Icer about buying some of the bars for \$1.00 each. They will also be available at our booster table at the next two home games, Jan. 20-21 and Feb. 10-11. These candy bars are also for sale at a table in the Hub during January and February.

Lady Icers Merchandise

Lady Icers merchandise is available at all home games. The available merchandise is also listed on the LIBC web site at <http://www.psuladyicersboosters.org/limerch.htm> or click on the "Merchandise" link on the LIBC or team sites. The information on the web site includes pictures, prices, and other information. The LIBC accepts cash or checks (made out to "Lady Icers Booster Club"), and is not able to accept credit cards.

We are still looking for any ideas or artwork for new merchandise. If you have anything that you would like to contribute for consideration, please contact LIBC President Vaughn Zimmerman.

If there are any questions about Lady Icers merchandise, stop by the merchandise table at any home game or contact Vaughn. Any questions about the LIBC web site, including the merchandise page, can be directed to LIBC Vice President William "Will" Rusk.

Just One Volunteer!

We will likely need one person to help out with working the visiting penalty bench during the home games this spring. If you would be interested in helping out working the penalty booth, please contact LIBC Secretary/Treasurer Carolyn Muse. Carolyn is also the volunteer scorekeeper in the box at Lady Icers home games.
